

Application Checklist

Planned Unit Development (PUD)

This Checklist is intended to provide the information and data needed to constitute a complete application. A request for a Planned Unit Development requires review by staff and approval by the City Council, in accordance with UDC Sections [3.06.040](#) and [4.06](#). **Incomplete applications will not be accepted.** For assistance, please contact the Planner of the Day at (512) 930-3575 or planning@georgetown.org

Sub-Application Type

This checklist may be used for the following Sub-Application Types:

Application Type	Sub-Application Type
<input type="checkbox"/> Planned Unit Development (PUD)	<input type="checkbox"/> Planned Unit Development
	<input type="checkbox"/> Planned Unit Development Amendment, Major
	<input type="checkbox"/> Planned Unit Development Amendment, Minor

Digital Submission Requirements

New applications are only accepted two days per month. The application submittal calendar is available at: <https://udc.georgetown.org/development-manual/>

The City of Georgetown utilizes a digital review system called MyGovernmentOnline, which requires certain digital submittal standards. For more detailed information and troubleshooting, please review the separate *MyGovernmentOnline User Guide* available at <https://udc.georgetown.org/mygovernmentonline/>.

Application Fee

Application fee will be assessed on the application submittal deadline. Fees must be paid by no later than noon (12 PM) on the Friday following the application submittal deadline. Failure to pay by the payment deadline will cause the application to be deemed incomplete and thus not filed. The application fee schedule is available at: <https://udc.georgetown.org/development-manual/>.

Submittal Documents

The following is grouped into the electronic documents that will be required for submittal. The list below each document heading shows the individual items that are to be combined to form the PDF document. Please review the Detailed Information section of this form for help in preparing each of these items.

- Application Information**
 - [Property Owner's Consent Form](#)
 - Letter of Intent (see Detailed Information section below)

- Property Survey**
 - Location Map of property to be rezoned, delineating proposed district boundaries

- Field Notes: A legal description of the property performed, signed and sealed by a licensed Surveyor, including a to-scale 8 1/2" x 11" sketch of the property boundaries (required if proposed zoning district boundary is not a platted lot)

Development Plan

- Development Plan (see Detailed Information section below)
- Tree Inventory (required when alternative tree preservation and mitigation standards are proposed)
 - A tree survey that graphically identified the location, size, and species of all Heritage Trees, Protected Trees, and other trees to be credited toward mitigation requirements
 - A determination on the health of each tree (i.e. "Dead" or "Poor" health)
 - Description of any diseases present on trees of "Dead" or "Poor" health
 - Proposed measures to be taken to prevent spread of disease through the project site
 - Existing canopy cover (as a percentage of the project area)
 - A description of a tree's aesthetic value (i.e. size, evaluation as a specimen of the species, size and quality of the canopy, etc.)

Detailed Information

The **Letter of Intent** shall include:

- Existing zoning district
- Proposed base zoning district
- Future Land Use and Growth Tier designations
- Acreage of property to be rezoned
- Justification and explanation of how the proposal is in compliance with the City's [2030 Comprehensive Plan](#). Cite the goals and policies of the 2030 Plan that will be met by the proposal.
- Explanation of how roads and utilities will serve the property
- Comparison table of proposed development and architectural standards vs. current UDC standards
- Justification for any deviations from the UDC requirements and proposed mitigations for those deviations
- If existing structures or features of property will be utilized, provide a Conceptual Site Layout exemplifying how the structures will meet all applicable development standards of the proposed zoning district (i.e. legal nonconformities per [UDC Chapter 14](#) will not be created)
- Explanation as to how the request meets the approval criteria outlined in [UDC Section 3.06.030](#)
 - The application is complete and the information contained within the application is sufficient and correct enough to allow adequate review and final action;
 - The zoning change is consistent with the Comprehensive Plan;
 - The zoning change promotes the health, safety or general welfare of the City and the safe orderly, and healthful development of the City;
 - The zoning change is compatible with the present zoning and conforming uses of nearby property and with the character of the neighborhood; and
 - The property to be rezoned is suitable for uses permitted by the district that would be applied by the proposed amendment.
- Explanation as to how the request meets the approval criteria outlined in [UDC Section 3.06.040](#)
 - A variety of housing types, employment opportunities, or commercial services to achieve a balanced community;
 - An orderly and creative arrangement of all land uses with respect to each other and to the

Detailed Information

- entire community;
- A planned and integrated comprehensive transportation system providing for a separation of pedestrian and vehicular traffic, to include facilities such as roadways, bicycle ways, and pedestrian walkways;
- The provisions of cultural or recreational facilities for all segments of the community;
- The location of general building envelopes to take maximum advantage of the natural and manmade environment; and
- The staging of development in a manner which can be accommodated by the timely provision of public utilities, facilities, and services.

The **Development Plan** shall include:

- Proposed land uses including uses to be prohibited, if different than base zoning district
- Proposed development and architectural standards
- Existing natural features, drainageways, one-hundred year floodplain, if applicable, and existing topography at a maximum of five-foot (5') contour intervals
- Location of proposed buildings, building envelopes, or building setbacks
- A tabulation of proposed dwelling unit density in residential areas
- A tabulation of proposed floor area ratios, and/ or square footage of development, and maximum heights of proposed buildings
- Proposed circulation systems, including preliminary street cross sections
- Proposed public parks, greenbelts, and other open space
- Proposed public facilities (i.e., school sites, fire stations, etc.)
- Location, size and type of proposed landscaping including existing landscaping (trees)
- Demonstrate compliance with Chapters [11](#) and [12](#) of the UDC, per UDC Section [4.06.010.D](#).
